October 2017

Dear Friends,

I write following Sunday's worship and with deep thanksgiving for several things that come to mind when I reflect on the vibrancy of worship in this congregation.

I'm deeply grateful for the leadership provided by our choir and music staff. They allow us to experience the presence of God in a powerful way.

I'm thankful for our children whose energy, honesty, and exuberance awakes us to the newness of God's daily blessing.

I'm thankful for adults who have made a long-standing commitment to this congregation – who have supported First Presbyterian Church with prayers, daily discipleship, and financial resources for three or more decades. I'm grateful for their on-going love for this body of Christians and their willingness to embrace new ideas and new folks who come to be part of us.

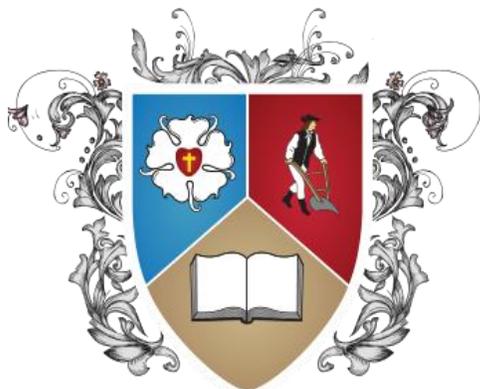

I'm thankful for parents who urge the participation of their children and teens in the life of the church and for the example of their own faithfulness.

Finally, I'm especially grateful for the on-going work of the Holy Spirit in the life of the congregation – that Spirit brings us together when we hold divergent opinions, gives us the freedom to share forgiveness, and reminds us daily of the work God is doing in our life together.

We are a blessed people. I am thankful for you.

Grace and Peace,  
Elizabeth

We'll celebrate this seminal moment in the life of the Christian church in a big way.

- ❖ We'll enjoy the bagpipes.
- ❖ We'll celebrate the Sacrament of the Lord's Supper.
- ❖ We'll bless our family tartans and people everywhere.
- ❖ Fellowship with shortbread and cider will follow worship.

## **REFORMATION STUDY SUNDAY MORNINGS AT 9:45 A.M. OCTOBER 1-22 LOCATION: SESSION ROOM**

Join Elizabeth for conversation about the Protestant Reformation –

- What happened?
- Why did it happen?
- How did the events of the Reformation affect the Christian Church & the way worship is conducted now?

We'll learn about significant people and places.

## **What's the Big Deal about the Reformation?**

The Protestant Reformation was set in motion on October 31, 1517 when Martin Luther, nailed the 95 theses to the door of the Castle Church in Wittenburg, Germany. The theses detailed Luther's disputes with his beloved Catholic Church. What followed was a massive movement which led to the development of what we know as the Protestant Church, including the Presbyterian Church.

## WORLD COMMUNION SUNDAY OCTOBER 1

World Communion Sunday was established in the dark days of World War II as a way for the Christian community to recognize the value of its brothers and sisters all over the world. As we take bread and drink from the cup of salvation on this Sunday, we will be joined in this act by Christians around the world. You can expect worship to include music and liturgy from around the world, as well as symbols which remind us of our brothers and sisters worldwide.

At 9:15 a.m., we'll gather at the Courthouse Square Park  
with folks from other downtown churches  
for a brief observance of World Communion Sunday  
before returning to our own churches for Sunday School and Worship.

## What is Circle?

At First Presbyterian, Albemarle, the Circle is a small group Bible study which meets in the homes if its members once a month at 7:00 p.m. October is the month in which we begin a new series of Bible studies. This year, the study will be *Cloud of Witnesses: The Community of Christ in Hebrews*. The author, Melissa Bane Sevier, is a teaching elder in the PCUSA. "She invites us to explore major themes found in Hebrews. The community for which the letter, or homily, was written interacts, in a sense, with all the communities of which we are part." There is more information about the study on a bulletin board near the church office. If you enjoy small group Bible study and would like to join us in this study, we would welcome your participation ! We will meet on Monday, October 2 at 7:00 p.m. with Gloria Bryson (811 Smith St., Albemarle). Contact person: Ann Duckwall (704-983-3498).

# Mantreat at Montreat

In April of this year, several of our men spent a weekend in Montreat worshipping, hiking, eating, and fellowshiping together. It was a great time to spend together in a beautiful place, and a wonderful chance to get to know one another. Matt would like to take a group back in the spring, and he would like to hear from you! Please contact Matt ([mdrumheller@fpcalbemarle.org](mailto:mdrumheller@fpcalbemarle.org)) to let him know you are interested in a Mantreat for Spring of 2018!

## Youth Update

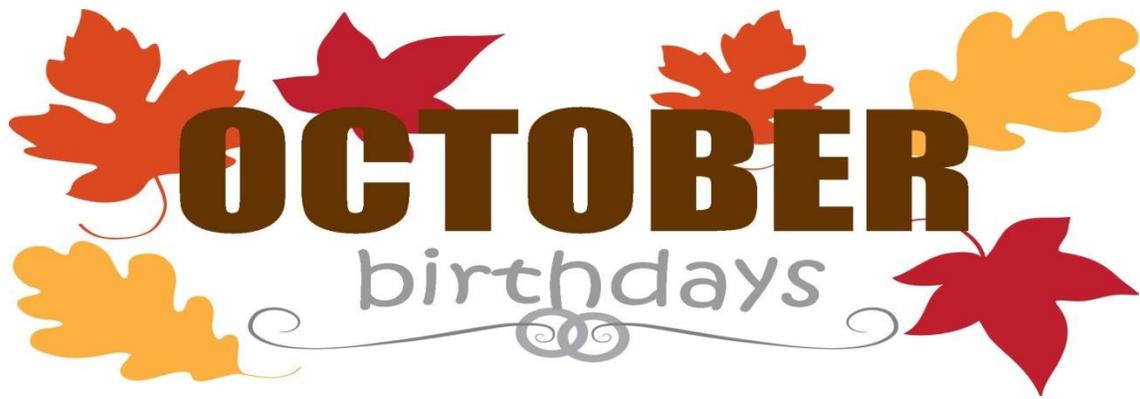

A group of youth spent the night of September 15 together *locked in* at the church. After going to Concord for dinner and an escape room, our youth spent the night playing games, watching movies, and generally hanging out. It was a great way to kick off our fall semester, and our youth, though somewhat bleary-eyed in the morning, enjoyed spending the time together.

**OPERATION CHRISTMAS CHILD**

We cherish the children of First Presbyterian Church and their friends and families who are a part of us through youth programs. Local churches in a hundred countries around the world experience the joy and vitality that comes to their congregations when shoe boxes are distributed. Long before the boxes arrive, leadership is trained and plans are carefully made to share the *good news of great joy* with children who will receive a shoebox afterward. Along with the box, each child receives a colorful book in their own language that tells them of The Greatest Gift. It has been estimated that each of these books will be read by about 35 more persons--family and friends of the child.

It can be our great joy to share the gospel, to pray for the recipient of our box(es) and encourage the local church in evangelism. Watch for the preprinted green&red shoeboxes, pick up and read the How to Pack Your Shoebox gift. It has some changes in the **DO NOT INCLUDE** list--so read before you shop! Please select your gifts with sensitivity for the recipient--boxes packed in warm climates are distributed in similar climates, and though you may be blonde/blue eyed, your recipient may wish for a doll like herself. Children who cannot attend school without school tools and shoes need practical gifts as well as toys, so flip flops, pencils and paper may be the most exciting gift they receive. Want to help but you aren't a shopper? The cost for shipping/project cost has increased this year after many years at the same price; the **How to Pack** flyer gives directions for helping in this way. **Watch future bulletin for when shoeboxes will be available for pick-up. Filled shoe boxes should be returned to First Presbyterian Church by Thursday, November 16.**

# OCTOBER FAITH ON THE FIFTH OFFERING

Opportunity to donate to SCCM Clothing Closet Renovation  
Sunday, October 22 (the 4<sup>th</sup> Sunday)

This is an opportunity to support the SCCM Clothing Closet Renovations through our October Faith on the Fifth that will be held on Sunday, October 22. With the help of donations, SCCM has been able to do major roof repair, parking lot resurfacing, painting, and purchase of new fixtures. They hope to receive grant funds leaving a balance of \$12,000 needed to complete the floor and installation of fixtures. With renovations nearing completion, the air conditioning unit is now failing. With a quote of \$9,000 for a new unit, they are now looking at approximately \$21,000 to complete the project.

## LETTER FROM SCCM...

Dear Friends at First Presbyterian Church,

In 1969, a member of First Presbyterian Church, Reba Mendenhall, planted the seed for the growth of SCCM by opening a Clothing Closet in the church basement. Through the years the location of the Clothing Closet moved from First Presbyterian to Five Points and then to East Main Street, where it has been for more than twenty years.

Like any building, the Clothing Closet needs maintenance. Unfortunately, that maintenance has been neglected during the past twenty years and the maintenance needs have compounded. While we are working hard to rectify some of the concerns, we do not have the funds to complete the project without your help.

Currently, we have resurfaced the parking lot and repaired the roof with a gift from the estate of Anne Miller. The closing of two local retail stores has brought the opportunity to purchase some new shelving and racks. When they are installed, it will be a much safer work environment for our employees and provide needed storage space for our off season merchandise.

Bright yellow paint has been applied to the walls, and a new outdoor sign is in the works. The carpet on the floor is slated to be replaced with vinyl tile, at a cost of about \$18,000. Currently, the carpeting is held together at the seams with duct tape to prevent tripping. This is an essential safety need.

Earlier this month, we received news that the air conditioner in our sorting room and donation processing area needs to be replaced. This will cost approximately \$9,000. It simply is not in our budget right now.

The needs of the physical Clothing Closet building are great, but the need it fills in our community is much greater. During the month of August, 92 families received clothing for growing children and changing seasons. Special needs assistance for job interview clothing or shoes for work was provided to 17 people.

The sales at the Clothing Closet provide more than 60 % of the total budget for SCCM. Without its fantastic selection of resale clothing and household items, we would not have the ability to run the Food Pantry or the Community Tables.

Please prayerfully consider contributing to the Clothing Closet Renovation Project. We will receive a special offering on Sunday, October 22.

Thanks you for your prayers and gifts,  
Heather Kilde

# Youth Club 2017-18

This year in Youth Club, we welcomed 46 children in grades K-5! After a long summer break, the children are quickly getting reacquainted with each other by enjoying recreation time in the gym, sharing a hearty snack, exploring the Bible during study time, working together as they create works of art, and of course making a joyful noise to the Lord.

**Trusty Travelers** (K-3<sup>rd</sup> Graders): Using the theme *The Stories*, the Trusty Travelers have embarked on a new and exciting journey through the Bible and the incredible stories it tells. Our leaders have found a wonderful new book titled *The Stories* that the children will be reading from during Bible study. These stories will give the children new insight on well-known passages from the Bible such as The Creation, Noah's Ark, and David and Goliath. They will also discuss the lessons these stories teach them about how to love others and find the courage to do what God asks of us.

The theme for the **Faith Explorers** (4<sup>th</sup> & 5<sup>th</sup> Graders) this year is *Signs*, as they will be looking in scripture for passages that show signs of God's love for us. They will also spend some time reflecting on the signs they can find in their own lives and the world around them. To complement their study, the Faith Explorers have multiple mission projects planned for this year that will keep them busy sharing signs of God's love with our community and friends. They also have many fun field trips planned throughout the year and are planning on visiting the Corn Maze later this month.

A special thanks to all the parents who came to the Faith Explorers' parent meeting in September. Your effort and feedback was so helpful and much appreciated. Submitted by: Leah Beamon, Christian Education Program Coordinator

**Youth Cubs** is indeed a time of learning, fun, and discovery, all creating an afternoon of wonderment as we learn about God. Our goal is to help lay a spiritual foundation that will influence the children's relationship with God throughout their lives. We will share friendships, art, prayer, Bible stories, songs, play, and games. Themes of God's creation of our world and his creation of each of us will start off the year. We will then turn our attention to the stories of Noah, Moses, and God's gift of the beauty of our fall season. Submitted by: Lynn Poplin, Youth Cubs Coordinator

## SERRV Bazaar

### Sunday, November 13

The SERRV sale at First Presbyterian is a unique mission, offering us opportunity to *do justice* by purchasing items from artisans and small scale farmers in cooperatives of developing countries as well as some in the United States. It gives us a reliable source for good quality, fairly priced gifts in a range of prices. SERRV helps cooperatives(artisan) with design of their work that will appeal to buyers; (farmers) improvement and increase in yield of their crop; with input from artisans and farmers, SERRV helps to set a fair price for their product, helps to provide upfront supplies and finally transport to market. Artisans are assured of payment for their work. Sometimes the artisan is a man and often the farmer is a woman. Someone has said *“when you go into a community, look at the children. If they are clothed, fed, and in school, you know that women are able to make a little money”*. Fair trade enables them to care for their children and make improvements in their communities.

### **SERRV Catalogs Available for Review & Placing of Individual Orders in the Pit Stop**

*On Sunday mornings in the Pit Stop: October 1, 8, & 15 9:00 a.m.-11:00 a.m.*

*These individual orders will be available for pick-up at the SERRV sale scheduled for November 12 in the pit stop from 9:00 a.m.-11:00 a.m. and following worship until 1:00 p.m.*
